

# KIDS MINISTRY

## CHECK OUT WHAT'S COMING UP AT CCPC!

Worship is for the entire family at CCPC. Kids Worship is where children learn the different parts of Sunday morning, so that they are ready to transition (between 2nd-4th grade) to worship upstairs. Join us downstairs after the Children's Message!

RECOMMENDED FOR AGES 3-9

Kids I.D. is hands on Bible exploration. We dig into the entire scope of the Bible, learning people, events, and places from the Old and New Testaments each year. Drop your kiddos off with us while you attend Adult I.D., every Sunday at 9am!

Having friends at church is one of our core values. On Wednesdays at 6pm, our first focus is a friendship with Jesus, and secondly, with other kids and adult leaders. This year we are excited to have an age specific rotation model so that we can connect with kids doing the things they love to do.

### WHAT ARE WE TEACHING AT CCPC:

- Pre-K through 3rd Grade: Let's "DigIn" to God's Word on Sundays and experience being "Simply Loved" on Wednesdays.
- 4th & 5th Grades: "Route 66" adventures through the Bible on Sundays and "Be Bold" by bringing all of your questions about God on Wednesdays.
- Worship & Wiggles includes Bible story time and "play with purpose."

### A MINISTRY FOR 2 & 3 YEAR OLDS:

Worship & Wiggles is for 2 and 3-year-olds during Sunday worship. It is designed for our littlest worshipers to make new friends and learn about God's love. Toddlers gather in the Cry Room after the Children's Message dismissal, and have Bible Story time before they "play with a purpose" and participate in the worship service from the Cry Room/Nursery.
