

IS YOUR CHILD TOO SICK FOR CHURCH TODAY?

Ok to come and play!

- Active, playful, and rested
- Fever-free for 24 hours
- Mild, infrequent cough/runny nose

Try again next week

- Fever of 100° or higher
- Wheezing or shortness of breath
- Consistent cough
- Constant runny nose
- Lethargy
- Diarrhea or vomiting
- Sore throat or swollen glands
- Unknown rash
- Discharge from eyes
- Diagnosis or antibiotics for less than 24 hours

When in doubt... SIT IT OUT!
We will see you next week!

Let Ms. Amanda know and she will pray for you this week!
